

Sisel Kaffé Black Ground

Product Overview

Sisel Kaffé is a premium hot beverage that is arguably the best-testing healthiest coffee in the world. Those who have experienced Sisel Kaffé agree that when it comes to coffee, no other brand matches it in aroma, flavor and health ingredients.

The ultra-rich Premium Panama Boquete Gesha ground coffee beans are renowned for superior taste and have an award-winning reputation. When combined with four powerful health-promoting ingredients, you'll have the world's best-tasting and healthiest premium cup of coffee.

Our coffee beans are grown in a unique micro-climate on the slopes of an ancient Panamanian volcano. This enriching atmosphere produces sweet coffee beans, which combined with a rich blend of Chaga, Gotu Kola, Bacopa and organic Ganoderma extracts creates what Sisel believes is the healthiest, best tasting, and most beneficial coffee on the planet.

Directions

Brew 1-2 tablespoons for each 6 fl oz cup of coffee. Adjust amount to suit your taste.

Warning

If you are pregnant, nursing, or taking prescription medication, consult a physician before using this product. Keep out of reach of children.
